Re: Oxford v. Uddin, et al., Case No. 1:23-cv-04054-DEH

Dear Judge Ho:

This firm represents defendants in the above referenced matter. Yesterday, the Court issued an order [docket entry #71] rescheduling a status conference from November 6 to November 13. We respectfully request that the conference be rescheduled as both the undersigned and my co-counsel, Alek Felstiner, are unavailable on November 13 due to previously scheduled work commitments. In particular, I will be appearing in federal court in Newark, New Jersey for a final pre-trial conference and Mr. Felstiner will be in an arbitration proceeding.

I have spoken with Steven Kaufman, attorney for plaintiffs, who indicated his consent to this request. Counsel are available for a status conference any work day in November except for the following days: November 12, 18, 21, 22 and 27. No previous request to adjourn the status conference has been made.

Respectfully yours,

David M. Slutsky
